Press release & Invitation

The 11th edition of Cybersecurity Week 2025 in The Hague (CSW2025)
Europe's Gateway to a Safer Digital Future

The Hague, the Netherlands, 10 July 2025 – From Monday 29 September to Friday 3 October 2025, The Hague – the international city of peace and justice – will host the annual Cybersecurity Week. This week is organised by the Municipality of The Hague in close cooperation with a broad network of public and private partners to support collaboration and knowledge-sharing to strengthen digital security across borders. Discover the latest developments in cybersecurity and take part in the discussion how we can achieve at least 50% of women within cybersecurity by 2050. The following events are part of CSW2025:

Monday 29 September: International Kick-off @ HSD Campus
Open to international delegations and individual companies, this kickoff session offers matchmaking opportunities, business insights, and a first introduction to the unique cybersecurity network in The Hague.

Tuesday 30 September and Wednesday 1 October: ONE Conference @ World Forum
The Netherlands' flagship cybersecurity event. Follow sessions about SaaSified Crime: From AiTM to Banking Fraud, Cybercrime sessions with the Dutch National Police, 10 years of Hardware Hacking, Crypto Agility, Vulnerability Disclosure in the Energy Sector, Cyberincident response for small businesses, the Attribution Minefield in ransomware investigations and many other expert sessions. For the full programme visit: https://one-conference.nl/

Thursday 2 October: ECSO Cyber Investor Days @ HSD Campus
This edition will bring together top-tier investors, corporate decision-makers, and Europe's most promising cybersecurity innovators for an exciting afternoon of live pitches, networking, and strategic dialogues. https://www.b2match.com/e/ecso-cyber-investor-days-hague

Friday 3 October: Women and Cyber event
Focusing on inclusion and diversity in cybersecurity, open to all. Organised by All the Cyber Ladies, Women4Cyber Netherlands and the Municipality of The Hague, and endorsed by Security Delta (HSD).
